*This book has been checked and corrected for spelling errors.

The Oz books form a book series that begins with *The Wonderful Wizard of Oz* (1900) and relate the fictional history of the Land of Oz. Oz was created by author L. Frank Baum. Even while he was alive, Baum was styled as "the Royal Historian of Oz" to emphasize the concept that Oz is an actual place. The illusion created was that characters such as Dorothy and Princess Ozma related their adventures in Oz to Baum themselves, by means of wireless telegraph.
