## **Destinos cautivos (Spanish Edition)** Nieves Hidalgo

España, 1517. Razones de carácter social, marcadamente tradicionales, obligan a Elena Zúñiga a aceptar un matrimonio pactado con el hombre al que idealizó siendo una niña. No obstante, cuando llega el momento de la boda, el tiempo ha pasado y Elena se ha forjado una cierta autonomía personal que le hace rechazar la idea de convertirse en una marioneta en manos masculinas. Así se lo hará saber, la misma noche de bodas y con serena rotundidad, a su marido.

Diego Martín y Peñafiel, conde de Bellaste, es un gentil caballero y ha accedido a prestarse a la farsa de un enlace aparente, renunciando incluso a la posesión física. Sin embargo, no tiene intención de consentir que la situación se prolongue demasiado, y se ha propuesto conquistar a su propia esposa, tan altiva como él mismo.

Sus propósitos se ven frustrados con la llegada del cardenal Francisco Jiménez de Cisneros, regente de España en ausencia de Carlos I, que trae noticias alarmantes: la reina Juana de Castilla le ha pedido su ayuda tras descubrir un complot para acabar con la vida de su hijo Fernando. El cardenal solo conoce a un hombre capaz de impedir el magnicidio.

Con Destinos cautivos, Nieves Hidalgo nos introduce, como solo ella sabe hacerlo, en una época fascinante. Desde Trujillo hasta Santander, seremos testigos del camino que deberán recorrer un hombre y una mujer destinados a amarse, mientras las intrigas de Estado y las adversidades conspirarán para separarlos.
