International Relations and World Politics: Security, Economy, Identity (3rd Edition)

Paul R. Viotti, Mark V. Kauppi

International Relations and World Politics: Security, Economy, Identity (3rd Edition) Paul R. Viotti, Mark V. Kauppi

This comprehensive introduction to international relations focuses on what has changed and what has remained the same since the end of the cold war. Providing a strong conceptual, historical, and theoretical foundation, it identifies key perspectives and the actors in world politics, explains the concepts, tracks the trends (global interdependence and crises of authority), and examines current and future global concerns.

KEY TOPICS: The volume provides an introduction to trends, perspectives and concepts, and examines security and statecraft, international security, civil society and the global economy, religion, nationalism and conflicting identities and civil society. For political science and international relations professionals and others interested in the global agenda.
