On a rainy Sunday afternoon a Florida man is beheaded and a woman vanishes into thin air. The next day the woman's husband receives the man's head in a box with a note from an old nemesis long thought dead. As it turns out, Juan Carlos Alvarez is not so dead and the criminal mastermind is out for blood—and lots of it. When the kidnapped woman is tracked to the mountains of Mexico, her husband and brother hatch a daring rescue plan to save her, taking the former Navy SEALs on a roller-coaster journey across the U.S. and Mexico—culminating with the deadliest terrorist attack in world history at the Macy's Thanksgiving Day Parade. Remember the Hindenburg? The climactic ending will startle you!
