WHAT IS THE NAME OF YOUR GRANDFATHER?

This book is not about the State of Israel and its occupation policy. Countless books have been published about Jewish terrorists and the barbarity of the creation of Israel, the Nakba, the ethnic cleansing of the Palestinians, the settlements and the continuous harassment of the original inhabitants of this piece of land in the Middle East.

This book is about what I experienced during almost three years, when I joined my wife who had accepted a job in Jerusalem.
