## The Rule of Mirrors (The Vault of Dreamers Trilogy) Caragh M. O'Brien

The fast-paced, psychologically thrilling sequel to *The Vault of Dreamers* follows Rosie after her consciousness has been split in two.

The entire country was watching when Rosie Sinclair was expelled from Forge, the prestigious arts school that doubles as a reality TV show. But few know how Dean Berg was mining students' dreams in laboratories deep below the school. And no one, least of all the Dean himself, knows that when Rosie's dreams were seeded into the mind of another patient, Rosie's consciousness woke up in that body--a girl far from Forge, a girl with a completely different life from Rosie, a girl who is pregnant.

Told from alternating points of view between Rosie as she makes sense of her new identity and the shattered subconscious that still exists in her old body, *The Rule of Mirrors* will keep readers on the edge of their seats and leave them hungry for more.
