Combining the best features of traditional and modern methods, Athenaze: An Introduction to Ancient Greek, 2/e provides a unique course of instruction that allows students to read connected Greek narrative right from the beginning and guides them to the point where they can begin reading complete classical texts. Updated for the second edition, the Teacher's Handbooks for Books I and II contain translations of all stories, readings, and exercises; detailed suggestions for classroom presentation of vocabulary, stories, and grammar; abundant English derivatives; and additional linguistic information.
