Angela Moore is a successful, independent woman with beauty inside and out. Growing up in a stable home, she has everything she ever wanted and more. Angela wasn't looking for love, but somehow she ended up falling in love with a man that swept her off her feet. When things couldn't get any better, an unexpected surprise surfaced into their relationship. When an ex-fiancée comes back into the picture, her world is turned upside down as drama begins to unfold.

Ryan Nelson has it all. He's a million dollar man that every woman wants. However, his love life went downhill when he was betrayed by his ex-fiancée. It's been two years and he has moved on with his life. With a new love interest, he couldn't be happier. That is until his ex-fiancée became his worst nightmare. Tiffany Lander is one mad woman with only one thing on her mind "DEATH". She is determined to get what was hers, and to get the woman that came between her and her king. After all these years, she is still in love with Ryan Nelson. She has planned and plotted, putting everything into motion, and she won't stop until she gets what she wants.
