Fair Play (Hat Trick) (Volume 1) Samantha Wayland

Savannah Morrison is the new athletic trainer for the Moncton Ice Cats, a professional hockey team in the wilds of New Brunswick. It's a good thing she's got plenty of knowledge and grit, because as the only woman trainer in the league, she has to work twice as hard to win the players' respect. The last thing on earth she would do is date one of them. Twelve-year hockey veteran Garrick LeBlanc isn't ready to hang up his skates, particularly since he hasn't figured out what the hell he's planning to do next. He needs the new trainer to keep him fit to play, and she's got the skills to do it. Too bad he lost his mind and hit on her the day they met. Now she hates his guts and he's made an art of ignoring her. When the team is put up for sale, Garrick and Savannah have to work together to save their jobs and their team. Somewhere along the way, they discover Garrick isn't just a hockey player, Savannah isn't only passionate about her work, and just maybe they've got more in common than they thought.
