Hey, Doc (The Wonder of Animals from the Life-Stories of a Texas Vet) David Carlton, D.V.M.

(A continuation in the 'Doc' Carlton series) They're back again, for the third time around - the animal rescue team we met in DALLAS DOC and TEXAS DOC: healers 'Doc' Carlton, his unpredictable partner, Dr. Rich Vest, and indispensable medical staffers Tracy and Rachel. This time, they take on a second clinic and a new vet, 'perfectionist' Mathew Horton, who matches their passion and all-out commitment to every critter. In his conversational style, Doc gives us more irresistible, behind-the-scenes glimpses into his topsy-turvy life: There's the Border collie who thrives on hypnotizing sheep; a feline's midnight surgery in a home kitchen; the movie star who wants a 'makeover' for his pet pig; the garlic-wearing, globetrotting Chihuahuas who write postcards; two mules that become a baseball legend's family; and a wayward cat who has the only cure for a horse with 'psychosomatic' issues.
