## **Just the Way It Is** Megan Morales

In her debut as an author, Megan E. Morales draws from her own experiences growing up with epilepsy to convey a message of hope. *Just The Way It Is* uses rhyme, color, and illustrations to show what life is like for an epileptic child, and to let others know that just because someone may be different, they still need the same things--understanding, friendship, and love--because that's just the way it is.
