Ramblings of a Modern-Day Witch (Volume 3) Raven Williams

This third installment in my Modern-Day Witch series is a compilation of thoughts and messages inspired by quotes I have seen on social media or comments made on posts or television. Each rambling inspired by a quote will start with the quote. These ramblings are not meant to be preachy. They are simply thoughts I have had and been led to share. Each reader is meant to take the words written, contemplate them, and determine their worth for each individual.
