#### Debra McGregor:

As a college student exactly feel bored to reading. If their teacher requested them to go to the library or to make summary for some publication, they are complained. Just small students that has reading's heart or real their hobby. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore this Spirit of the Flint Hills can make you really feel more interested to read.
