Barron's PCAT, 5th Edition Marie Chisholm-Burns Pharm.D.

Updated to prepare pharmacy college applicants for success on the PCAT, this manual presents two full-length practice tests with all questions answered and explained. Also included are reviews of all test topics with additional practice questions and answers. The test topics are: college-level biology, general and organic chemistry, quantitative ability, reading comprehension, verbal ability, and writing. Additionally, there is advice on how to get a higher PCAT test score, an explanation of how the test is scored, and an up-to-date directory of pharmacy colleges across the country. This book describes a typical pharmacy training program and gives advice on planning a pharmacy career.
