Black Water

Joyce Carol Oates

Black Water Joyce Carol Oates

The Pulitzer Prize-nominated novel from the author of the *New York Times* bestselling novel *We Were the Mulvaney*s

“Taut, powerfully imagined and beautifully written, *Black Water* ranks with the best of Joyce Carol Oates's already long list of distinguished achievements. It can be read in a single afternoon, but, like every good book, it continues to haunt us.”

- The New York Times

Joyce Carol Oates has taken a shocking story that has become an American myth and, from it, has created a novel of electrifying power and illumination. Kelly Kelleher is an idealistic, twenty-six-year-old “good girl” when she meets the Senator at a Fourth of July party. In a brilliantly woven narrative, we enter her past and her present, her mind and her body as she is fatally attracted to this older man, this hero, this soon-to-be-lover. Kelly becomes the very embodiment of the vulnerable, romantic dreams of bright and brave women, drawn to the power that certain men command—at a party that takes on the quality of a surreal nightmare; in a tragic car ride that we hope against hope will not end as we know it must end. One of the acknowledged masters of American fiction, Joyce Carol Oates has written a bold tour de force that parts the black water to reveal the profoundest depths of human truth.
