So You've Been Publicly Shamed Jon Ronson

From the Sunday Times top ten bestselling author of the psychopath. Test, a captivating and brilliant exploration of one of our world's most underappreciated forces: shame. 'It's about the terror, isn't it?' 'The terror of what?' I said. 'The terror of being found out.' For the past three years, Jon Ronson has travelled the world meeting recipients of high-profile public shamings. The shamed are people like us - people who, say, made a joke on social media that came out badly or made a mistake at work. Once their transgression is revealed, collective outrage circles with the force of a hurricane and the next thing they know they're being torn apart by an angry mob, jeered at, demonized, sometimes even fired from their job. A great renaissance of public shaming is sweeping our land. Justice has been democratized. The silent majority are getting a voice. But what are we doing with our voice? We are mercilessly finding people's faults. We are defining the boundaries of normality by ruining the lives of those outside it. We are using shame as a form of social control. Simultaneously powerful and hilarious in the way only Jon Ronson can be, *So You've Been Publicly Shamed* is a deeply honest book about modern life, full of eye-opening truths about the escalating war on human flaws - and the very scary part we all play in it. `

From reader reviews:

George Clark:

The book So You've Been Publicly Shamed can give more knowledge and information about everything you want. So just why must we leave a good thing like a book So You've Been Publicly Shamed? Several of you have a different opinion about publication. But one aim that book can give many info for us. It is absolutely appropriate. Right now, try to closer together with your book. Knowledge or details that you take for that, you may give for each other; you may share all of these. Book So You've Been Publicly Shamed has simple shape but the truth is know: it has great and massive function for you. You can appear the enormous world by wide open and read a publication. So it is very wonderful.

Beverly Dyar:

Nowadays reading books be a little more than want or need but also be a life style. This reading practice give you lot of advantages. Advantages you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The details you get based on what kind of reserve you read, if you want drive more knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining for example comic or novel. The actual So You've Been Publicly Shamed is kind of publication which is giving the reader unstable experience.

Willie Adams:

Information is provisions for anyone to get better life, information currently can get by anyone from everywhere. The information can be a know-how or any news even an issue. What people must be consider any time those information which is inside the former life are difficult to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you get the unstable resource then you buy it as your main information you will see huge disadvantage for you. All of those possibilities will not happen inside you if you take So You've Been Publicly Shamed as your daily resource information.

Pedro Lewis:

Your reading 6th sense will not betray you actually, why because this So You've Been Publicly Shamed reserve written by well-known writer who knows well how to make book that can be understand by anyone who else read the book. Written throughout good manner for you, leaking every ideas and composing skill only for eliminate your current hunger then you still doubt So You've Been Publicly Shamed as good book not simply by the cover but also by content. This is one e-book that can break don't judge book by its cover, so do you still needing one more sixth sense to pick this!? Oh come on your reading through sixth sense already said so why you have to listening to a different sixth sense.
