**The Beat Goes On: The Complete Rebus Stories** Ian Rankin

**There is no detective like Ian Rankin's Detective Inspector John Rebus, a man *The New Yorker* calls "the ideal sleuth."**

Brilliant, irascible and frequently frustrating to both his friends and his long-suffering bosses, John Rebus has made the dark places of Edinburgh his home for over two decades. THE BEAT GOES ON collects all of Ian Rankin's Rebus short stories for the first time, including two never-before published tales written specifically for this collection. From his beginnings as a young Detective Constable right up to his dramatic, but not quite final, retirement, Rebus shines as he investigates the sinister cases that are his specialty including a gruesome student death, the brutal murder of a woman at the crux of a love triangle, and an audacious jewel heist. THE BEAT GOES ON confirms once again that DI John Rebus is "one of the great modern cops" (*Washington Post*).
