The Coming Church: A fierce invasion from Heaven is drawing near. John Edward Burton

I had an encounter that left me shaken and shocked. What I saw was clearly a picture of the church...clearly in my spirit, that is, because my intellect was confounded. It didn't make sense. In my encounter, the vision I saw was shocking and quite mysterious. I have had many visions of the Church, of reformation, but this one was markedly different. It sure didn't look like a vision of the Church, but it immediately felt like one. I was standing in an apocalyptic looking environment. It was dark and weighty. In front of me was an absolutely massive, burning crater. God immediately revealed to me that I was looking at the soon coming Church.
