The New Rules of Lifting Supercharged Deluxe: Ten All-New Muscle-Building Programs for Men and Women Lou Schuler, Alwyn Cosgrove

This supercharged new edition of the super-effective weightlifting exercise program features all-new workouts to build maximum strength

Lou Schuler and Alwyn Cosgrove's *The New Rules of Lifting*, *The New Rules of Lifting for Women*, and *The New Rules of Lifting for Abs* have revolutionized how people lift weights. *The New Rules of Lifting Supercharged* is a total reboot of the weightlifting workout book that launched the series in 2006, packing even more power on every page. Now, in a first for the series, Schuler and Alwyn offer a deluxe edition ebook, complete with more than 50 video clips of exercises showing examples of perfect form and offering candid, one-on-one advice from the authors. Not sure if you're deadlifting properly? Bring *Supercharged deluxe* to the gym with you on your smartphone or e-reader and watch the exercises while you do them!

Featuring ten completely new workouts for both women and men, *Supercharged* emphasizes four major movements that do the most to change the way your body looks, feels, and performs: squat, deadlift, push, and pull. In addition, Cosgrove's updated total-body workout program improves core strength, mobility, flexibility, balance, endurance, and athleticism . . . all in just three hours a week of exercise.

Another big change from the original *New Rules of Lifting* is a self-customized workout system. Readers can choose their own exercises from a menu for each movement category, allowing beginner and advanced lifters to get tremendous results from the same basic plan. Each workout ends with a "finisher"—five to ten minutes of fun but high-effort drills such as complexes, intervals, and density training, with the choice of the reader's favorite exercises. The ultimate guide to total-body strengthening, this supercharged edition of *The New Rules of Lifting* will lift readers to stratospheric results.
