The Prophetic Church: Wielding the Power to Change the World R. Loren Sandford

R. Loren Sandford does not believe we will see revival sweep the Western world despite the prayers of those longing for God to send it without certain key elements. The goal of our pursuit in these crucial days, rather than seeking power, must be intimacy with God and oneness with his heart. In addition to biblical examples and practical application, Sandford shows readers how certain "lighthouse churches" are incorporating and cultivating these goals. The church of Jesus Christ, he says, can rise up to have a prophetic impact on cities and nations and become all that our Savior called us to be.
