By focusing on material most relevant to the Introductory Psychology course while maintaining the narrative flow, authors Ellen Pastorino and Susann Doyle-Portillo invite you to see the big picture of psychology as opposed to a collection of fragmented ideas. With an unparalleled integration of diversity, applications, and critical thinking, WHAT IS PSYCHOLOGY? ENHANCED EDITION 2e captures and holds your interest using "The Big Picture," a real life story of a person whose experience illustrates the concepts of the chapter. Upon entering this course, today's students ask, "Why should Psychology matter to me?" Drawing from their own research and first-hand work in classrooms on assessment, inclusion, and reaching under-prepared students, Pastorino and Doyle-Portillo answer this question using practical everyday examples that are relevant to students--including you. Now, with the ENHANCED EDITION, you can embark on an interactive journey of learning and discovery for free with PsykTrek 3.0 online.
