So this is how I ended up with two men fighting brutally over me.

One to claim me, one to protect me--and, frankly, I'm not such what is hotter.

This is standalone erotic short! No cliffhanger and of a *very* explicit nature!

Ana's just started her new seasonal job at the Mountain Bear Lodge, owned by the gorgeous billionaire brothers Blake and Drake.

One is forceful and more than a little wild. He calls to a primal lust deep within Ana. The other is gentle and caring; it's obvious that he cares more about protecting Ana than possessing her.

And when they get her alone in the woods, they'll fight tooth and claw for the right to claim her as their mate!

HEA (Happily Ever After) guaranteed!

For a *Limited Time* this edition contains several *FREE* Bonus Stories!

Not suitable for readers under 18!
