Titles In This Set Lost at Sea: The Jon Ronson Mysteries So You've Been Publicly Shamed Description :-

Lost at Sea: The Jon Ronson Mysteries Jon Ronson has been on patrol with America's real-life superheroes and to a UFO convention in the Nevada desert with Robbie Williams. He's interviewed a robot and asked her if she has a soul. He's travelled to the Alaskan theme town of North Pole (where every day is Christmas Day) to investigate a high school mass-murder plot. He's met a man who tried to split the atom in his kitchen and another who's preparing to welcome the aliens to earth. Jon Ronson is fascinated by madness, strange behaviour and the human mind, and he has spent his life exploring mysterious events and meeting extraordinary people. Collected from various sources (including the Guardian and GQ) Lost at Sea features the very best of his adventures. So You've Been Publicly Shamed: From the Sunday Times top ten bestselling author of The Psychopath Test, a captivating and brilliant exploration of one of our world's most underappreciated forces: shame. 'It's about the terror, isn't it?' 'The terror of what?' I said. 'The terror of being found out.' For the past three years, Jon Ronson has travelled the world meeting recipients of high-profile public shamings. The shamed are people like us - people who, say, made a joke on social media that came out badly, or made a mistake at work. Once their transgression is revealed, collective outrage circles with the force of a hurricane and the next thing they know they're being torn apart by an angry mob, jeered at, demonized, sometimes even fired from their job. A great renaissance of public shaming is sweeping our land. Justice has been democratized. The silent majority are getting a voice. But what are we doing with our voice? We are mercilessly finding people's faults.
