"Not Fade Away" is the fascinating, at times heart wrenching, true life story of a young English girl which encompasses life with Brian Jones of The Rolling Stones in Britain's early 60's and the best and worst of that cultural era. This is a gripping 'must read' for fans of The Rolling Stones and all things British. It takes readers on a journey into the early beginnings of the Stones and also explains how forced adoption was all too common in that era. The author is a survivor who overcame abuse and losses to experience eventual love and joy.
