Heather is a **sexy**, loyal wife... but years of marriage can take its toll on a woman's carnal needs. And she soon finds herself **lustig after the handsome man** who has just moved in next door.

The kind of guy who she spends her days and nights fantasizing about -- craving the **naughty things** they could do together. But, her husband would never allow such a **forbidden act**... would he?

Maybe he won't have a real strong say in the matter, after all. Because as it turns out, the new **muscular neighbor** loves doing dirty things... **hard, deep, and without protection!** He might even give Heather's husband a front-row seat to the taboo railing.
