Enjoying Season 5? Need a little liquid courage before you face The Authority? The Unauthorized True Blood Drinking Guide exists to answer the immortal question of WWED - What Would Erik Drink?

For that matter, what about Russell Edgington and Talbot? Sweet Eddie Fournier or crazy Franklin Mott? Bill, Lorena, or Pam?

These days, the obvious answer is blood. However, back when they were merely mortal humans, your favorite vampires were already heavy drinkers - of booze. Before modern water purification techniques came along, their poor, weak human bodies couldn't have survived otherwise.

The Unauthorized True Blood Drinking Guide takes you on a heady tour of the drinking culture that would have influenced each vampire's attitudes towards the dark, rich, intoxicating beverages that make life worth living. Starting with babyvamp Jessica Hambly and ending with the ancient Russell Edgington, you'll not only learn what your favorite True Blood vampires would've drunk while they were still human, but also how to mix those drinks for yourself.

From the silly to the sublime to the seductive, these authentic period cocktail and mixed drink recipes will give you one more reason to love Sunday night.
