Conquering In Christ (Heritage Series Study Guides Book 1) Ian Fair

This brief commentary is intended to serve as a study guide for those teaching Revelation in a Bible class or as a guide for personal study.

There are many perceptions of the story of Revelation, most of them having no basis in solid research. Dr. Fair approaches the study of Revelation with a practical and thoroughly researched point of view. The story of Revelation has little to do with the “end of the world”, it is a story of deeply needed encouragement to struggling Christians living in Asia Minor, modern day Turkey. As we read and study this wonderful manuscript, we glean much of value for us today..
