Ever since a psychotic killer kidnapped and nearly murdered her FBI Special Agent Samantha Kennedy's life has been spiraling out of control. She can't focus on her work, and she can't shut out the nightmares. She seeks escape in casual sex with a stranger. Someone who can hold her nightmares at bay for a little while. Max Ridgeway seems to fit the bill - maybe too well. Then Sam's plan for a no-strings affair goes to hell when a serial kidnapper strikes again and the victim is Max's step-brother. Max doesn't know that Sam is an FBI agent but she knows just how dangerous the situation is and she has to reveal her full identity to Max. The Serial Services Division, the elite unit in the FBI solely dedicated to tracking and trapping serials, has been after these kidnappers from the beginning and this is their best chance to catch them. As time runs out for Max and his brother, Sam is forced to step up her game. She can't be afraid any longer because when the kidnapper's identity is revealed it's Sam who must pull the trigger. This time, she won't be a victim...and neither will Max!
