Knights of the Red Branch S. A. Archer, S. Ravynheart

Perfect for fans of the Divergent, Mortal Instruments, and the Maze Runner series. This gripping story is set in a magical world that coexists with our own, filled with suspense, adventure, and romance. *The Knights of the Red Branch* series is a smart, beautifully told story with rich language, emotional depth, and cinematic action.

Only one thing stands between Sin and her knighthood, Finley Connelly - The golden boy of the Red Branch School. Defeating him with his superior Sidhe magic and quick bow is near to impossible, so the school's patroness offers Sin an alternative final exam; to complete a quest in the woods of the Dryad of Death. This is a worthy mission, one fraught with dangers, which is exactly why Finley won't let Sin go it alone, never realizing that there are greater stakes at play than just Sin reaching graduation. They've become pawns in a bigger game, and all sides seem ready to sacrifice them to further their own agendas. When death takes its toll, and Sin has no one but her enemies to turn to, she has to weigh what she wanted for herself against what she must become to survive.
