Recollections of a Rebel Surgeon, Annotated.

Ferdinand Eugene Daniel M.D.

Recollections of a Rebel Surgeon, Annotated. Ferdinand Eugene Daniel M.D.

While most memoirs recall the horrors of war, this one doesn't. Although the good doctor who wrote them had doubtless seen much blood and gore, it is not his purpose here to conjure back such memories. Instead, he concentrates on the humorous incidents that happened in the Confederate army; his description of slackers and hypochondriacs and how he dealt with them are sure to bring a smile. Civil War humor is often neglected as we look at the great tragedy that it indeed was. That humor could be found in the midst of horror is indeed a tribute to the human spirit, as these memoirs reveal. Nothing from the original has been altered, but in some cases explanations of the more difficult dialect or archaic terms are added by the editor. This book was re-formatted August 18, 2014 and an Appendix was added giving the history of the 18th Mississippi Infantry, of which the author was a member.

Do you want to try this extraordinary investing spare time activity?

Gerald McMullen:

As a pupil exactly feel bored to be able to reading. If their teacher inquired them to go to the library in order to make summary for some guide, they are complained. Just little students that has reading's spirit or real their passion. They just do what the trainer want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore this Recollections of a Rebel Surgeon, Annotated. can make you truly feel more interested to read.
