At the intermediate level you're expected to take more responsibility for the care and management of your pony, and you'll learn how to do this as well. In addition, you'll learn the skills needed for conditioning and preparing your pony and yourself for competitions and special events.

- New and revised coverage of land conservation and horse health and safety
- Better organization to ease reference
- A full review and update of critical developments in riding, instruction, and competition
- In-depth revision of nutrition and veterinary topics, the two areas in which there has been the most significant research and development over the past two decades

From the C Level, you may go on to higher Pony Club ratings such as B, H, A, or A Ratings, or specialize in such disciplines as dressage, show jumping, eventing, and showing. Or you may just want to have the pleasure of caring your horse or pony and participating in your favorite riding activities. Either way, *The United States Pony Club Manual of Horsemanship: Intermediate Horsemanship/C Level* will give you an excellent basis in horsemanship for the lifelong enjoyment of horses and horse sports.
