Tigers: Amazing Pictures & Fun Facts on Animals in Nature (Our Amazing World Series) Kay de Silva

Bestselling children's author Kay de Silva presents "Tigers". The book uses captivating illustrations, and carefully chosen words to teach children about the 'great wanderers'. This series is known for its beautiful full-color images. The description in large text is simple enough for young readers or for a parent to guide a child through. There are also picture captions that provide more information to talk about with your child. Alternatively, a child of any age (even the child in you) can just look at the images and appreciate their beauty. This book depicts the wonder of the world of tigers in all its glory. Children are given a well-rounded understanding of these beautiful animals: their anatomy, feeding habits, and behavior. The following tigers are featured: * The regal Bengal Tiger * The illusive Indochinese Tiger * The mysterious Malayan Tiger * The enormous Siberian Tiger * The endangered South China Tiger * The diminutive Sumatran Tiger * The elegant White Tiger * The interesting Liger * The rare Tigon Get this book at this special price exclusive to the Amazon Store. *** **Your child will love it - this is guaranteed.*****
