George Michael

Confronting Right Wing Extremism and Terrorism in the USA (Extremism and Democracy) George Michael

This book examines the response to right-wing extremism in the US from both the government and non-governmental organisations. It provides a detailed portrait of the contemporary extreme right in the US including interviews with several of the movement's leading figures from groups such as the Ku Klux Klan, Militias, American Renaissance and the White Aryan Resistance. The author also explains how the activities of these racist groups have been curbed due to the campaigning efforts of anti-racist and anti-fascist watchdogs who have helped to shape and influence government policy.
