Deep South legends. Deep fried curses. Deep dish revenge . . .

This Debutante Is Having A Ball!

Way down south in the land of cotton, one belle's plans are soon forgotten--when Sassy Peterson drives her Maserati off the road to avoid a deer and lands smack-dab in the proverbial creek without a paddle. The Alabama heiress should have known something weird was going on when she saw the deer's ginormous fangs. *Hello, Predator Bambi!* But nothing can prepare her for the leather-clad, muscle-bound, golden-eyed sex god who rescues her. Who wears leather in May? That's just the first of many questions Sassy has when her savior reveals he's a demon hunter named Grim. Also: Why would a troop of fairies want to give her magical powers and rainbow hair? Why would a style-challenged beast called the Howling Hag want to hunt her down? Most importantly, what's a nice debutante like Sassy doing in a place like this anyway? Besides feeling Grim . . .
