SUMMARY/SYNOPSIS

INTRO

Fates and Furies is not a story about a marriage – it is a story about two people and how their marriage determines the trajectory of their lives. Lotto – short for Lancelot - and Mathilde seem like the perfect dream team when they first elope in their final year of college. Lotto is the tall and charismatic pack leader, who plans to pursue a career on the stage. Mathilde is a tall, blonde scholarship student. Theirs is a love story that inspires jealousy from all who know them.

But as the novel progresses, it becomes clear that Lotto and Mathilde have two very different perspectives of a shared life – and some of the secrets they hide from each other could have explosive consequences. Piece by piece, truth is revealed, and there is plenty of romance, intrigue and heartbreak to fill several marriages.

This is an ambitious and dynamic novel, and Groff executes exquisite prose. Lotto and Mathilde are protagonists who will not be soon forgotten.
