**The America Ground (The Forensic Genealogist) (Volume 3)** Nathan Dylan Goodwin

Morton Farrier, the esteemed English forensic genealogist, had cleared a space in his busy schedule to track down his own elusive father finally. But he is then presented with a case that challenges his research skills in his quest to find the killer of a woman murdered more than one hundred and eighty years ago. Thoughts of his own family history are quickly and violently pushed to one side as Morton rushes to complete his investigation before other sinister elements succeed in derailing the case. This is the third book in the Morton Farrier genealogical crime mystery series, although it can be enjoyed as a stand-alone story.
