## **A Wish Too Far: A Damned If You Do Story** J.L. Merrow

There's a new drug on the streets called Wishes: little pink pills that bring you your heart's desire — but in a way that'll rival your worst nightmare. Lars Thornsson of the Paranormal Enforcement Agency isn't pleased to have to work the case with two of his most hated and incompetent colleagues. He's even less happy to come home one night to find that his sexy succubus lover Rael has summoned another demon.

Rael thinks he knows who's supplying the drugs: an old friend of his with a penchant for cross-dressing. The one thing Rael doesn't understand is why a sweet demon like Shax would be so malicious. He's determined to get to Shax first and find out the truth, even if it means falling foul of the law — and his lover.

*NOTE: This second edition has been substantially revised.*
