**El oráculo maya: Un lenguaje galáctico de la luz (Spanish Edition)** Ariel Spilsbury, Michael Bryner  
Un instrumento práctico para aprovechar el potencial de crecimiento espiritual relacionado con el fin del calendario maya en 2012

- Incluye 44 tarjetas de adivinación en colores, páginas desplegadas de adivinación, meditaciones y ejercicios de percepción e intuición
- Explica el significado de adivinación para los mayas de cada uno de los símbolos que aparecen en las tarjetas, así como sus correspondencias con colores, hierbas, movimientos rituales y más

Al acercarse el fin del calendario maya, se está perfilando una época de grandes oportunidades de crecimiento espiritual y una conciencia planetaria más elevada. Los antiguos mayas previeron este despertar e incorporaron en sus símbolos arquetípicos un “lenguaje de luz” que crea un puente entre las realidades física y espiritual. *El oráculo maya*, que fue concebido en un sueño profético, trae 44 tarjetas --20 glifos estelares mayas, 13 números y 11 “lentes del misterio”-- junto con un exhaustivo manual. Este oráculo, que ha sido diseñado para estimular la intuición, ofrece posibilidades de interactuar con los arquetipos mayas en una forma que contribuye a elevar su conciencia hasta una dimensión superior y transformar las viejas formas de ver, hacer y ser.
