Political Discourse Analysis: A Method for Advanced Students Isabela Fairclough, Norman Fairclough

In this accessible new textbook, Isabela and Norman Fairclough present their innovative approach to analysing political discourse.

Political Discourse Analysis integrates analysis of arguments into critical discourse analysis and political discourse analysis. The book is grounded in a view of politics in which deliberation, decision and action are crucial concepts: politics is about arriving cooperatively at decisions about what to do in the context of disagreement, conflict of interests and values, power inequalities, uncertainty and risk.

The first half of the book introduces the authors' new approach to the analysis and evaluation of practical arguments, while the second half explores how it can be applied by looking at examples such as government reports, parliamentary debates, political speeches and online discussion forums on political issues. Through the analysis of current events, including a particular focus on the economic crisis and political responses to it, the authors provide a systematic and rigorous analytical framework that can be adopted and used for students' own research.

This exciting new text, co-written by bestselling author Norman Fairclough, is essential reading for researchers, upper undergraduate and postgraduate students of discourse analysis, within English language, linguistics, communication studies, politics and other social sciences.

Andrew Schulz:

What do you concerning book? It is not important with you? Or just adding material when you really need something to explain what your own problem? How about your extra time? Or are you busy man? If you don't have spare time to perform others business, it is make one feel bored faster. And you have extra time? What did you do? All people has many questions above. The doctor has to answer that question mainly because just their can do which. It said that about guide. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need that Political Discourse Analysis: A Method for Advanced Students to read.

Helen Samuel:

As people who live in typically the modest era should be upgrade about what going on or data even knowledge to make these individuals keep up with the era that is certainly always change and advance. Some of you maybe can update themselves by looking at books. It is a good choice for yourself but the problems coming to you actually is you don't know which one you should start with. This Political Discourse Analysis: A Method for Advanced Students is our recommendation to help you keep up with the world. Why, since this book serves what you want and wish in this era.

Joan Beverly:

As a college student exactly feel bored to reading. If their teacher asked them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's soul or real their interest. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that looking at is not important, boring and also can't see colorful pictures on there. Yeah, it is to be complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Political Discourse Analysis: A Method for Advanced Students can make you sense more interested to read.
