The Great Book of Magical Art, Hindu Magic and East Indian Occultism (Illustrated) Book One. L. W. de Laurence

THE GREAT BOOK OF MAGICAL ART, HINDU MAGIC AND EAST INDIAN OCCULTISM. (Book One.) This is a wonderful source-book of 19th century thought and practice on the subject of Spirituality. It does deal with Ceremonial and Talismanic magic, but seems to always point the reader to the practice of "Know Thyself". "I shall give knowledge, of the wonderful properties, and hidden magical forces within the soul of man. By which the Disciple may find the exact resemblance or copy of the Universal Spirit (God) in all things." Available for the first time as a Kindle eBook, this edition of the 1902-1915 original has been carefully edited for scanning and spelling errors, and is as true to the original as possible. The spelling conventions of the time have generally been left intact. Also note: We have found no rhyme or reason to the conventions of the use of italics in this book, but as it is a volume of Magical Lore, the strange usage of italics has been left intact.
