Vengeance: A Novel Zane

From *New York Times* bestselling author Zane comes a thrilling erotic novel, set in the same world of *Addicted* and *Nervous*, featuring a beautiful but emotionally damaged pop star hell-bent on vengeance against the people responsible for her traumatic past.

Decades after fleeing from Atlanta after an unspeakable trauma, Caprice Tatum returns to her roots—only this time she's Wicket, the international pop sensation who has become a living embodiment of fame and fortune. While she may have refashioned herself onstage as the perfect diva, selling out concerts and topping the charts, offstage she's haunted by her past and incapable of the kind of intimacy that could free her heart and mind. She can only see one way forward: revenge against the people who were responsible for what happened to her when she was a teenager.

Yet, as Caprice insinuates herself into Atlanta's most elite circles—and into the lives of her former tormentors—she begins to unravel, putting herself and the few people she trusts at risk, including Jonovan, her childhood crush whose compassion and allure are almost too much for her to handle. When her father suggests she see a therapist, Dr. Marcella Spencer, Caprice finally begins to pick up the pieces and find her inner-strength.

But can she truly overcome a legacy of pain and suffering? Or will her thirst for vengeance drag her even further into the darkness?
