A Healing Season Karly Kalakona's new nursing job is the perfect Christmas gift she and her son needed for their future. The single mom just never counted on dealing with not only a stubborn patient, but also with his prodigal son. After years away, pilot Tyler Childress is only a temporary traveler to the Texas ranch he's spent his life escaping. But the chemistry he shares with his father's nurse is undeniable--and has him thinking of sticking around past the holiday season. Can Tyler learn to trust the woman whose caring ways are bringing his father back to life...and who might just be the partner his wandering heart can find a home with?
