Ghost Dancer: Stories Past the Edge of Remembrance Abby Mendelson

From the award-winning author of *Paradise Boys* and *Scotch and Oranges* comes *Ghost Dancer*, 21 original stories that look at American life with a reporter's eye-and dissect it with a surgeon's scalpel. From a young man grappling with the Kennedy assassination to a battle-weary Vietnam flyer, a ship's officer off Tierra del Fuego to a homesick soldier in war-torn France, we meet recovering alcoholics, aspiring actors, pimps and cops and busted-up football players-people who try to rebuild shattered lives on a landscape scarred by war, littered with fatal fires and shuttered steel mills, populated by dying sweethearts and unfaithful brides. In the tour-de-force title story, a young Lakota travels back in time to perform the Ghost Dance at Wounded Knee. Mendocino to Boston, Broadway to the French Quarter, *Ghost Dancer* spans the Twentieth Century, and the globe, showing us the choices we make-and the consequences we face.
