Every heart deserves a second chance...

I was alone in the world. My no good, drunk of a husband had made my life a living hell for so long that now that he's gone, I almost don't know what to do with myself. That is until I realize that he left me with a pile of debts and the prospect of being ruined, maybe even going to debtor's prison, or ending up on the streets, homeless and begging, or worse.

That's when I meet Augustus Wilder, the richest man in the west, and he makes me an offer I can't refuse. Marry his disreputable son, or have my worst fears become a reality. Little did I know that his son, Luke Wilder, was exactly who I needed.

We were two hearts that had been broken and beaten, but together, we have the chance to become whole once more. We just have to be brave enough to take the risk, and make the gamble that just might save us both.
