Saints and Scamps: Ethics in Academia Steven M. Cahn

Saints and Scamps has been widely acclaimed as one of the best academic ethics books in print. In its 25th anniversary edition, Steven M. Cahn has updated and expanded upon his critical look at the duties and responsibilities of college professors; presenting us with a masterfully decisive and learned probe into the ethical standards and practices of the academic world and bringing *Saints and Scamps* to a new generation. Cahn discusses every issue, from grades to degree requirements, from tenure to the ethics of teaching. For Cahn, being a professor is so much more than research and scholarship; it is also about being a good teacher and shepherding in the next generation of students. He shows us what makes a wonderful professor and what constitutes professorial malpractice, and he does so with a wit and charm that is both entertaining and convincing. This is not just a book for college professors, but a book that should be read by parents, students, school administrators, and anyone interested in what teachers do and how they should do it. In this new edition, Cahn continues to do what he has done so brilliantly in the past; he shows us the ethical guidelines that every professor should follow.

From reader reviews:

Ashley Taylor:

Book is written, printed, or descriptive for everything. You can learn everything you want by a e-book. Book has a different type. As we know that book is important issue to bring us around the world. Beside that you can your reading skill was fluently. A e-book Saints and Scamps: Ethics in Academia will make you to be smarter. You can feel a lot more confidence if you can know about almost everything. But some of you think this open or reading a book make you bored. It's not make you fun. Why they may be thought like that? Have you seeking best book or acceptable book with you?

Jerry Bates:

Nowadays reading books be a little more than want or need but also get a life style. This reading practice give you lot of advantages. Associate programs you got of course the knowledge even the information inside the book that will improve your knowledge and information. The info you get based on what kind of guide you read, if you want send more knowledge just go with education and learning books but if you want feel happy read one using theme for entertaining including comic or novel. Often the Saints and Scamps: Ethics in Academia is kind of reserve which is giving the reader erratic experience.

Karen Schanz:

Often the book Saints and Scamps: Ethics in Academia will bring that you the new experience of reading some sort of book. The author style to explain the idea is very unique. Should you try to find new book to read, this book very suited to you. The book Saints and Scamps: Ethics in Academia is much recommended to you you just read. You can also get the e-book from official web site, so you can quickly to read the book.

Willie Thacker:

As a pupil exactly feel bored to help reading. If their teacher questioned them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's heart or real their pastime. They just do what the instructor want, like asked to the library. They go to generally there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is being complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Saints and Scamps: Ethics in Academia can make you sense more interested to read.
