Her whole life, Chastity Quinlan has dreamed of NOT living up to her name. But now that she is free of her parents' iron rule, ready to say "I do" to Chris Culpepper, it looks like all that is about to change....

Chris Culpepper is more than happy to marry fun and feisty Chastity. He's looking forward to helping her obliterate the implication of her name. But if it's not one thing (*cough* wool allergy) it's another (*double cough* teeth marks).

But with all the sexual energy flying around, the true strength of Chastity and Chris's coupling may not be between the sheets. Each of them have dreams that they've left behind, thanks to pressure from their family. Now, with their powers combined, they may just find the courage to pursue those dreams, in spite of the odds stacked against them.
