Blood Burning Moon Gilbert Cooper II

Blood Burning Moon is a fictional novel based on the true story of the Maroons—a group of escaped Negro slaves and Native Americans who managed to establish their own society, separate from white rule, in the swamps of South Carolina. In this novel, unshakable spirit and powerful sorcery know no bounds. Led by an aged priestess named Gausje, the Maroons struggle to usurp southern plantation power and increase their numbers by offering new freedom to former slaves. An unexpected alliance, a blood sacrifice, and a scourging on a southern plantation set into motion a series of events that threaten the Maroons. Will this utopian society continue to grow, or will its members once again find themselves under the domination of the white ruling class? Find out in this compelling novel.
