A choice between two guys should be every girls dream, but it's not as easy as you would think. Bonnie has never struggled to get male attention, in fact quite the opposite. But following a nasty break up she has commitment issues and doesn't want to tie herself down to one guy. Happily living the single life, she has been sleeping with Matt and Joseph. Both guys have their good qualities and Bonnie doesn't see the need to make a choice, that is until Matt demands she chooses one of them. Matt's idea is clear, she dates each boy for a week then makes her mind up. What sounds like a simple idea soon turns out more complicated than Bonnie could ever have thought. So with both boys pulling out all the stops and playing their ace cards, it's a fun filled fortnight for Bonnie. Is it possible to have such strong feelings for two guys? Bonnie has got it bad for both. And at the end of the two weeks will she be able to make a decision? This is a young adult book with mature content. It is part of a series but can be read as a standalone
