A clear approach to a drawing in grades one through eight in Waldorf Schools, or in any schools, is long overdue and here at last! Packed with color and black and white drawings, with clear, stepwise ways to build competence in drawing skills and inspiring the same competence in students, this book on drawing will give you confidence and methods for practicing. There is nothing that can underscore a teacher's authority in the eyes of children as sound drawing techniques. Elizabeth Auer provides effective and clear instructions, creative ideas for drawings, and specific approaches to utilizing different media. "Learning about the World through Drawing" is a "must have" for any teacher or anyone wishing to learn how to draw, how to practice, what materials to use while learning, and techniques toward mastery! It is a rich resource and compendium of drawing wisdom.
