Lee Child

Lee Child - Echo Burning and Without Fail (2-in-1 Collection) (Jack Reacher Series) Lee Child

Two novels from Lee Child's Jack Reacher series in one collection

Echo Burning

Thumbing across the scorched Texas desert, Jack Reacher has nowhere to go and all the time in the world to get there. Cruising the same stretch of two-lane blacktop is Carmen Greer. For Reacher, the lift comes with a hitch. Carmen's got a story to tell, and it's a wild one—all about her husband, her family secrets, and a hometown that's purely gothic. She's also got a plan. Reacher's part of it. And before the sun sets, this ride could cost them both their lives.

Without Fail

Skilled, cautious, and anonymous, Jack Reacher is perfect for the job: to assassinate the vice president of the United States. Theoretically, of course. A female Secret Service agent wants Reacher to find the holes in her system, and fast—because a covert group already has the vice president in their sights. They've planned well. There's just one thing they didn't plan on: Reacher.
